

Music Player Expectations 2015-2016 Crowchild Skating Club (CSC)

October 2015
Music Coordinator
Maryann Wiedener

- Note on the music player calendar, the "skater" is listed and it is the parent/guardian's responsibility to cover the music playing schedule. Please make sure you **sign in the attendance binder** on the day you are doing music.

Please note ... this came from the 2015-2016 Crowchild Skating Club (CSC) Registration Package that everyone filled out when joining the club:

Music Playing:

One of the most crucial aspects of our on-ice program is to ensure that we have an adult (someone over the age of 12 *appended orally Sept 2015 from CSC president*) in the music box during ice times. Each family will be responsible for the music playing commitments. Music playing will be based on registration and will rotate. [The more your child skates, the more you will play music]

The music times will be assigned evenly throughout the year. **If you are unable to play a time, you will be responsible to find a replacement prior to your scheduled music day.**

Your music commitment deposit is \$100 (Please date cheque April 1, 2016). When you have fulfilled your music commitment, your cheque will be returned to you. Each time you miss your music commitment without finding a replacement prior to the session, \$25 will be deducted from your music deposit.

From the August 30, 2015 Email from Stacey Brown, Crowchild Skating Club Secretary, a reminder of the music player responsibility was sent out to everyone:
